# WORKING FOR THE AGRICULTURE INDUSTRY SINCE 1894

Advancing the business interests of its members is KLA's mission. Volunteer leaders and staff work to achieve this goal every day by working with legislators and regulatory agencies to advance KLA policy. Our affiliation with NCBA extends our influence to Washington, DC, where the NCBA legislative affairs team represents cattle producers' and landowners' interests before Congress and federal regulators. KLA and NCBA invite anyone with a financial stake in Kansas agriculture to join us in our work on their behalf. Visit [kla.org](http://kla.org) and [ncba.org](http://ncba.org) for more details.

## We've got your back.

- Protecting private property rights of agricultural producers.
- Ensuring that county and municipal zoning and building regulations do not restrict agriculture.
- Supporting increased weight limits for trucks carrying agricultural inputs, supplies and commodities.
- Defending agricultural exemptions from sales and property taxation.
- Working with state government and groundwater management districts to ensure availability of water for agriculture and other uses well into the future.
