

# WORKING FOR THE AGRICULTURE INDUSTRY SINCE 1894

Advancing the business interests of its members is KLA's mission. Officers and staff work to achieve this goal day-in and day-out by working with legislators and regulatory agencies to advance KLA policy. While a large percentage of KLA's membership is composed of beef producers, the association's efforts benefit producers of a variety of ag commodities as well as those engaged in related industries. KLA invites anyone with a financial stake in Kansas agriculture to join us in our work on their behalf.

## ***We've got your back.***

- Protecting private property rights of agricultural producers.
- Ensuring that county and municipal zoning and building regulations do not restrict agriculture.
- Supporting increased weight limits for trucks carrying agricultural inputs, supplies and commodities.
- Defending agricultural exemptions from sales and property taxation.
- Working with state government and groundwater management districts to ensure availability of water for agriculture and other uses well into the future.
