From Your President

Welcome to the 2026 KLA Convention & Expo! This is the 114th convention and 54th expo for the association and we cannot think of a better place to gather than Manhattan. Jamie and I are excited to see old friends, make new connections and spend time working on policy to strengthen the livestock industry. Whether this is your first time attending or the event has been part of your life for many years, I can assure you the time we spend together will be valuable.

This year, we wanted to kick off the convention with a little fun, so Jamie and I are hosting a branding party Wednesday before the Welcome Reception. For a $250 donation, members can brand boards that will be displayed in the KLA office. The funds raised will go toward scholarships awarded through the Kansas Livestock Foundation (KLF). So, not only can you show off your brand, but you also will help support the youth in our industry.

This will lead right into the Cattlemen's Banquet, where we will recognize this year's scholarship recipients and honor longtime KLA members. You also will have the opportunity to bid on bull sale credits and other exciting items during the annual live auction benefiting KLF, the KLA Political Action Committee and Ranchland Trust of Kansas. When you combine the branding, a tremendous steak dinner, a live auction and our keynote speaker, comedian Tim the Dairy Farmer, the evening will be a great time.

Thursday includes educational sessions and committee and council meetings. I encourage you to attend and be involved. A guiding principle of KLA is the one-member, one-vote process, which I value deeply. Your presence matters, and you will have the opportunity to discuss important industry issues and form or amend policy that will guide KLA in the coming year. Between sessions, make sure you stroll through the Expo. Several companies and vendors will be in attendance to discuss new technologies, services and products available to the beef industry.

We are changing the Thursday evening schedule a bit this year. The President's Reception will be earlier in the evening, followed by a Cattlemen's Crawl around Manhattan. Stop by the reception to visit and enjoy drinks and heavy hors d'oeuvres. After that, you can go out on the town where we will have sponsored signature drinks at various locations. Transportation will be provided, but try to behave yourself in Aggieville.

While you may be a bit tired Friday morning, make sure to get up for breakfast, the annual business meeting and a presentation from CattleFax Chief Executive Officer Randy Blach. The business meeting is where members approve the policy discussed the day prior. Please attend, as it is the culmination of the grassroots policy process. Do not miss your chance to influence and strengthen our organization!

I want to thank you for allowing me to serve as your KLA president through 2026. I am proud to have helped lead this association and to be associated with livestock producers who are passionate about the beef industry and protecting our businesses. Working with our leadership team also has been a privilege. Immediate Past President Troy Sander and President-Elect Jeff George are true friends, and their guidance, knowledge and leadership have made this an incredible experience. While it can be interesting working with two cattle feeders, they took it pretty easy on this cow-calf producer from northwest Kansas.

Lastly, I want to recognize the KLA and Kansas Beef Council staff. The expertise and talent our staff in Kansas have is outstanding. Their work ethic and knowledge of the livestock industry are unrivaled. They have my respect and are respected throughout Kansas and across the nation. Take a moment to seek them out and thank them for their commitment to Kansas agriculture.

Thank you for attending this year's convention. Please make the most of our time together. Remember, your voice, participation and vote are key to maintaining a strong Kansas Livestock Association.

Sincerely,

Ty Breeden, 2026 KLA President

Schedule Overview

Wednesday, November 18

12 p.m.–6:30 p.m. **Registration** Conference Center Foyer
2 p.m.–6 p.m. **Branding Party** Hilton Garden Inn West Parking Lot
3:30 p.m.–5 p.m. **Chairmen's Circle** Flint Hills
3:45 p.m.–4:45 p.m. **RTK Happy Hour** Big Blue River
5 p.m.–6:15 p.m. **KLA Expo** Conference Center Hallways

- CattleFax Market Update with Randy Blach
- Business meeting

WEDNESDAY, NOVEMBER 18

Registration 12 p.m.–6:30 p.m. • Conference Center Foyer
Sponsored by Selko

Branding Party 2 p.m.–6 p.m. • Hilton Garden Inn West Parking Lot
Join KLA President Ty Breeden for a branding party supporting the Kansas Livestock Foundation Scholarship Program. The cost to participate is $250/brand. Brands will be burned into a wood plank to be displayed at the KLA office in Topeka. Bring your branding iron to join in the fun!

Chairmen's Circle Meeting 3:30 p.m.–5 p.m. • Flint Hills
Sponsored by Vitalix

RTK Happy Hour 3:45 p.m.–4:45 p.m. • Big Blue River
Sponsored by Frontier Farm Credit

KLA Expo 5 p.m.–6:15 p.m. • Conference Center Hallways
New this year! Members can enjoy a lounge area located in the hall between Konza Prairie and Kings rooms *Sponsored by KanEquip Inc. and Kansas Regenerative Medicine Center*

Welcome Reception 5 p.m.–6:15 p.m. • Conference Center Foyer

Cattlemen's Banquet 6:30 p.m.–9 p.m. • Ballroom
Sponsored by MWI Animal Health, INTRUST Bank, FERA Diagnostics & Biologicals and Tyson Fresh Meats
Watering Hole sponsored by Flint Hills Stockyards

Join us to honor those celebrating 50, 60, 70 and even 80 years of KLA membership, as well as this year's Kansas Livestock Foundation scholarship recipients.

There's something for everyone during our live auction, benefiting the KLA Political Action Committee, the Kansas Livestock Foundation and Ranchland Trust of Kansas.

Entertainer: Tim the Dairy Farmer
Sponsored by MWI Animal Health

Tim the Dairy Farmer is definitely not a politician or motivational speaker. He is a Florida dairy farmer and stand-up comedian.

Tim's experiences on and off the farm allow him to bring out the humor of everyday rural life. Blue collar folks, rednecks and city slickers alike will be doubled over with his laughs-per-minute style.

Tim travels North America performing at comedy clubs, county fairs, country music festivals and agriculture-related events. He still enjoys farm life and milks cows, which he says keeps his hands warm. Tim's true passions in life are farming, making people laugh and eating beef jerky.

THURSDAY, NOVEMBER 19

Registration 7 a.m.–6 p.m. • Conference Center Foyer
Sponsored by Selko

KLA Expo 7 a.m.–5:30 p.m. • Conference Center Hallways

Coffee Bar 7 a.m.–8:30 a.m. • Ballroom
Sponsored by Kansas Motor Carriers Association

Breakfast 7 a.m.–8:30 a.m. • Ballroom

Beef Industry University 8:30 a.m.–10 a.m. • Ballroom
Sponsored by Farm Credit Associations of Kansas

Speakers: Robin Roberts, Central Power Systems & Services; and Autumn Lankford Higgins, American Farm Bureau Federation
The growth of data centers in rural America has raised many questions within the agricultural community. Robin Roberts and Autumn Lankford Higgins will attempt to provide answers as they discuss what's driving the expansion of data centers across the U.S., the potential impacts on rural communities and what producers should know as projects are being considered in their areas. Their presentations will address key landowner concerns, including utility usage, local zoning considerations and noise levels.

Roberts

Roberts was born and raised in rural Kansas, where business was done with a handshake, your reputation was critical and effort equaled results. He started at the bottom of his industry as a diesel mechanic and climbed the ladder to chief operating officer of a multinational corporation before purchasing Kansas City-based Central Power Systems & Services in 2015.

Higgins

Higgins serves as the American Farm Bureau Federation's director of government affairs. Her work focuses on federal advocacy efforts on critical agricultural policy issues related to technology and rural development, including the farm bill, precision agriculture, broadband connectivity and regulatory engagement.

Refreshment Break 9:45 a.m.–10:30 a.m. • Conference Center Foyer
Sponsored by Zoetis

Committee Meetings 10:30 a.m.–11:30 a.m.
Tax • Konza Prairie ABC *Sponsored by Morris Laing Law Firm*
» Speaker: Representative Adam Smith
Animal Health & ID • Flint Hills *Sponsored by Huvepharma*

Lunch 11:30 a.m.–1:30 p.m. • Ballroom
Sponsored by Marsh McLennan Agency and Cargill

THURSDAY, NOVEMBER 19 (CONT.)

Committee Meeting 1 p.m.–2 p.m.
Natural Resources • Konza Prairie ABC

Consumer Trends Forum 1 p.m.–2 p.m. • Flint Hills
Sponsored by the Kansas Soybean Commission

Speakers: Hailey Gilbreath, Abby Heidari and Scott Stebner
Where do modern consumers go to learn about beef and who do they trust to shape their perceptions? Kansas Beef Council (KBC) staff will explore who consumers are turning to for answers about health, nutrition and cooking as well as the influences affecting those decisions. There will be discussion on how KBC meets consumers where they spend their time, from Instagram feeds and television screens to waiting rooms and classrooms. These insights are driving the marketing decisions and educational programming KBC utilizes when building demand for beef.

Gilbreath

Heidari

Stebner

Dairy Refreshment Break 2 p.m.–2:45 p.m. • Conference Center Foyer
Sponsored by Kansas Feeds
Cookies and milk sponsored by Hurley & Associates Agri-Marketing Centers

Council Meetings 2:30 p.m.–4:30 p.m.
Cattle Feeders • Konza Prairie ABC *Sponsored by Rabo AgriFinance, social sponsored by Pinion*
Stockgrowers • Flint Hills *Sponsored by KanEquip Inc.*
» Speaker: Clay Burtrum, Farm Data Services Inc.

President's Reception 5:30 p.m.–7:30 p.m. • Ballroom
Sponsored by Equity Bank and Bimeda Animal Health
All are invited to take part in the celebration of 2026 KLA President Ty Breeden. Stop by to thank Ty for his dedication to the industry and our association. Enjoy drinks, heavy hors d'oeuvres and the opportunity to connect with other members. Cash bars will remain open until 10:30 p.m.

Cattlemen's Crawl 7:30 p.m.–10:30 p.m. • Poyntz Avenue & Aggieville District
Sponsored by MJE
Join in on a bar crawl around Manhattan. Participating businesses will have specials for KLA Convention attendees. Transportation will be available between the Hilton Garden Inn, Poyntz Avenue and Aggieville from 7:30 p.m. to 10:30 p.m. A QR code will be posted at each participating location. Scan the code with a smart phone camera and fill out the brief form to be entered for a chance to win a YETI cooler, provided by MJE. The drawing will be held Friday morning during the Membership Breakfast—must be present to win.

FRIDAY, NOVEMBER 20

Morning Coffee 6:30 a.m.–7:45 a.m. • Conference Center Foyer
Sponsored by Elanco Animal Health

KLA Expo 7 a.m.–10:30 a.m. • Conference Center Hallways

Registration 7:30 a.m.–8 a.m. • Conference Center Foyer
Sponsored by Selko

Membership Breakfast 7:45 a.m.–10:30 a.m. • Ballroom
Sponsored by Farm Credit Associations of Kansas, U.S. Premium Beef and Smithfield
Speaker sponsored by Elanco Animal Health

The 2026 Young Stockmen's Academy class and Top Hand membership recruiters will be recognized.

Speaker: Randy Blach

Randy Blach joined the team at CattleFax in 1981 and served as director of market analysis for 15 years. He was promoted to chief executive officer in January of 2001, a role he continues to serve in today. During his tenure, the company has enjoyed significant growth and leads the industry with timely market information, in-depth analysis, and forecasts on cattle, protein and grain markets in the U.S. and globally. Blach has been a keynote speaker at thousands of cattle, beef and related business meetings, seminars and conventions.

During this session, Blach will provide a detailed market outlook, highlighting emerging trends affecting cattle and beef profitability. He will factor in current cowherd numbers, input costs, competing proteins, and global and domestic beef demand as he delivers his projections for 2027 and beyond.

Business Meeting

KLA members will ratify the association's 2027 policy resolutions, elect the 2027 president-elect and welcome the 110th KLA president, Jeff George of Garden City. Every member will have the opportunity to vote on policy and the leadership of their organization.

NCBA National Cattlemen's Beef Association

HONORING HERITAGE & PROTECTING WHAT MATTERS

We've got your back.

- Defending cattlemen's private property rights against overreaching governmental regulations.
- Protecting cattlemen's family legacies with estate tax relief.
- Adding value to cattle and beef by working to open international markets.
- Delivering cutting-edge producer education opportunities to improve cattlemen's bottom lines.
- Constantly watching for potential threats from animal rights groups.

In addition to protecting the livelihoods of cattlemen and women nationwide, becoming a member will also provide valuable discounts from many of NCBA's industry partners.

Recruiter Prizes for 2026

Recruiters earn entries into a drawing by recruiting new members to join KLA and NCBA. Recruiters will be given one entry per new KLA member recruited and one entry per new NCBA member recruited.

One winner will be chosen in a random drawing during the Top Hand Luncheon at the KLA Convention & Expo. If a county committee is drawn as the winner, all committee member names will be entered into a drawing to choose an individual winner.

The winner of the drawing will have the choice between two prize options:

1. NCBA CattleCon Package. Includes paid registration, hotel and mileage or flight to an NCBA CattleCon held in 2027 or 2028.

2. $2,000 gift card to a western wear store of the winner's choice.

Top Individual Recruiter of the Year

(Minimum of 20 recruits)

Custom-made hat from Greeley Hat Works
or an engraved .30-30 rifle

Top County Committee Recruiter of the Year

(Minimum of 20 recruits)

Custom-made hat from Greeley Hat Works
or an engraved .30-30 rifle

New Member Prize Drawing

All new members who are recruited will be entered into a drawing for a $250 Kansas City Steak Company gift card. New members will earn one entry for joining KLA and one entry for joining NCBA. Two winners will be chosen in a random drawing during the 2026 Top Hand Luncheon.

Recruiters of the Quarter

December 2025-February 2026 – Ty Breeden, Quinter; Norm Pilger, Wallace
March-May 2026 – Spencer Jones, Belvue
June-August 2026 – Gary Poss, Ottawa

The top individual recruiter and top county committee recruiter each quarter will receive a $250 Cabela's/Bass Pro Shops gift card. One winner will be chosen in a random drawing during the Top Hand Luncheon at the KLA Convention & Expo. If a county committee is drawn as the winner, all committee member names will be entered into a drawing to choose an individual winner.

[1]Merck Animal Health. 2025. Comparison of RESFLOR GOLD® to Norfenicol for Treatment of Bovine Respiratory Disease in Holstein Steers Following Metaphylaxis with Tulathromycin. Final Study Report.

IMPORTANT SAFETY INFORMATION: Not for use in humans. Keep out of reach of children. Do not use in animals that have shown hypersensitivity to florfenicol or flunixin. Avoid direct contact with skin, eyes and clothing as product contains materials that can be irritating. Animals intended for human consumption must not be slaughtered within 38 days of treatment. This product is not approved for use in female dairy cattle 20 months of age or older, including dry dairy cows. Use in these cattle may cause drug residues in milk and/or in calves born to these cows. A withdrawal period has not been established in pre-ruminating calves. Do not use in calves to be processed for veal. Not for use in animals intended for breeding purposes. See package insert for complete information.

Resflor GOLD

MERCK Animal Health

RESFLOR GOLD®
(florfenicol and flunixin meglumine)
Intervet/Merck Animal Health
PRODUCT INFORMATION
Antimicrobial/Non-Steroidal Anti-Inflammatory Drug

Approved by FDA under NADA # 141-299
300 mg/16.5 mg/mL
Sterile

For subcutaneous use in beef and non-lactating dairy cattle only. Not for use in female dairy cattle 20 months of age or older or in calves to be processed for veal.

CAUTION: Federal law restricts this drug to use by or on the order of a licensed veterinarian.

BRIEF SUMMARY: For full prescribing information, see package insert.

INDICATION: RESFLOR GOLD® is indicated for treatment of bovine respiratory disease (BRD) associated with *Mannheimia haemolytica, Pasteurella multocida, Histophilus somni*, and *Mycoplasma bovis*, and control of BRD-associated pyrexia in beef and non-lactating dairy cattle.

CONTRAINDICATIONS: Do not use in animals that have shown hypersensitivity to florfenicol or flunixin.

WARNINGS: NOT FOR HUMAN USE. KEEP OUT OF REACH OF CHILDREN. This product contains material that can be irritating to skin and eyes. Avoid direct contact with skin, eyes, and clothing. In case of accidental eye exposure, flush with water for 15 minutes. In case of accidental skin exposure, wash with soap and water. Remove contaminated clothing. Consult a physician if irritation persists. Accidental injection of this product may cause local irritation. Consult a physician immediately. The Safety Data Sheet (SDS) contains more detailed occupational safety information. For customer service, adverse effects reporting, and/or a copy of the SDS, call 1-800-211-3573. For additional information about adverse drug experience reporting for animal drugs, contact FDA at 1-888-FDAVETS, or http://www.fda.gov/reportanimalae.

Not for use in animals intended for breeding purposes. The effects of RESFLOR GOLD® on bovine reproductive performance, pregnancy, and lactation have not been determined. Toxicity studies in dogs, rats, and mice have associated the use of florfenicol with testicular degeneration and atrophy. NSAIDs are known to have potential effects on both parturition and the estrous cycle. There may be a delay in the onset of estrus if flunixin is administered during the prostaglandin phase of the estrous cycle. Studies have associated the use of flunixin in cattle with a delay in parturition and prolonged labor (which may increase the risk of stillbirth), and interference with involution and expulsion of fetal membranes (which may increase the risk for placental retention and metritis).

RESFLOR GOLD®, when administered as directed, may induce a transient reaction at the site of injection and underlying tissues that may result in trim loss of edible tissue at slaughter.

RESIDUE WARNINGS: Animals intended for human consumption must not be slaughtered within 38 days of treatment. This product is not approved for use in female dairy cattle 20 months of age or older, including dry dairy cows. Use in these cattle may cause drug residues in milk and/or in calves born to these cows. A withdrawal period has not been established in pre-ruminating calves. Do not use in calves to be processed for veal.

ADVERSE REACTIONS: Transient inappetence, diarrhea, decreased water consumption, and injection site swelling have been associated with the use of florfenicol in cattle. In addition, anaphylaxis and collapse have been reported post-approval with the use of another formulation of florfenicol in cattle. In cattle, rare instances of anaphylactic-like reactions, some of which have been fatal, have been reported, primarily following intravenous use of flunixin meglumine.

Levucell® SC

naturally more productive

We have the science to prove it.
Research shows calves from grazing cows supplemented with LEVUCELL® SC rumen specific yeast achieve 7% more gain and 5% higher weaning weights.[1]

LEVUCELL SC. No other yeast works the same.

TRACER MINERALS

Stress STEALS PERFORMANCE

From shipping and processing to weather swings, stress costs cattle health and gain. Ordinary minerals pass right through, leaving your herd short when they need support most.

That's why there's MicroMaxx — amino acid chelated trace minerals designed for maximum absorption. More mineral uptake means cattle stay on feed, handle stress better, and keep performing all the way to market.

MicroMaxx — Stop Stress from Stealing Your Profits.

PYRAMID®
+ PRESPONSE® SQ
RELENTLESS PROTECTION
PUT GREAT IN,
GET GREAT OUT.
On a beef operation, risk is everywhere. And calf health is everything. Invest in your herd's future by using a calf vaccine as premier as your calves: Pyramid® + Presponse® SQ. It's proven by recent research to defend against the primary viruses and bacteria that lead to bovine respiratory disease — like BVDV Type 1b, BRSV and *Mannheimia haemolytica* — even in the face of maternal antibodies.

"CONSERVATION IS A STATE OF HARMONY..."

"Conservation is a state of harmony between men and the land." Aldo Leopold made this statement around 100 years ago and it couldn't be more accurate today. We know that our future depends on protecting Kansas' working landscapes including our agricultural and ranching heritage. Today, we invite you to "join our herd" by making a financial gift in support of Ranchland Trust of Kansas' work to achieve harmony through conservation.

Mark Your Calendar

We invite you to join us at these 2027 KLA and NCBA events!

CattleCon | February 2-4, 2027 | Nashville
KLA Legislative Meeting and Dinner | February 17, 2027 | Topeka
NCBA Summer Business Meeting | July 11-13, 2027 | Aurora, CO
KLA Convention & Expo | November 17-19, 2027 | Manhattan

Cancellation Clause
Per cancellation policy, no refunds are given after October 30, 2026, for failure to attend. No refunds will be issued on site.

Meeting Attendance/Voting
You are welcome to attend any of the meetings listed in the schedule of events on the date(s) for which you are registered. KLA members may participate in the discussion and debate on industry issues. You must have a voting card to participate in the vote. Each membership receives one voting card.

*****IMPORTANT MESSAGE*****
If your meeting is interrupted by protestors, please ignore protestors, and continue with your regular business. Their goal is to attract attention and any attention given will only help them. Please notify convention staff or hotel staff if you are approached by protestors or media. Convention staff has a plan in place to handle these situations, and they depend on your assistance. Additionally, if you are approached by the media for an interview, please politely decline and direct them to the event's media room where spokespersons are available. Keep your cool and walk the other way. Thank you for your cooperation.

Release of Attendee Information
Conference attendees' names and contact information are released only to contracted sponsoring organizations and are not sold to any outside companies or individuals.

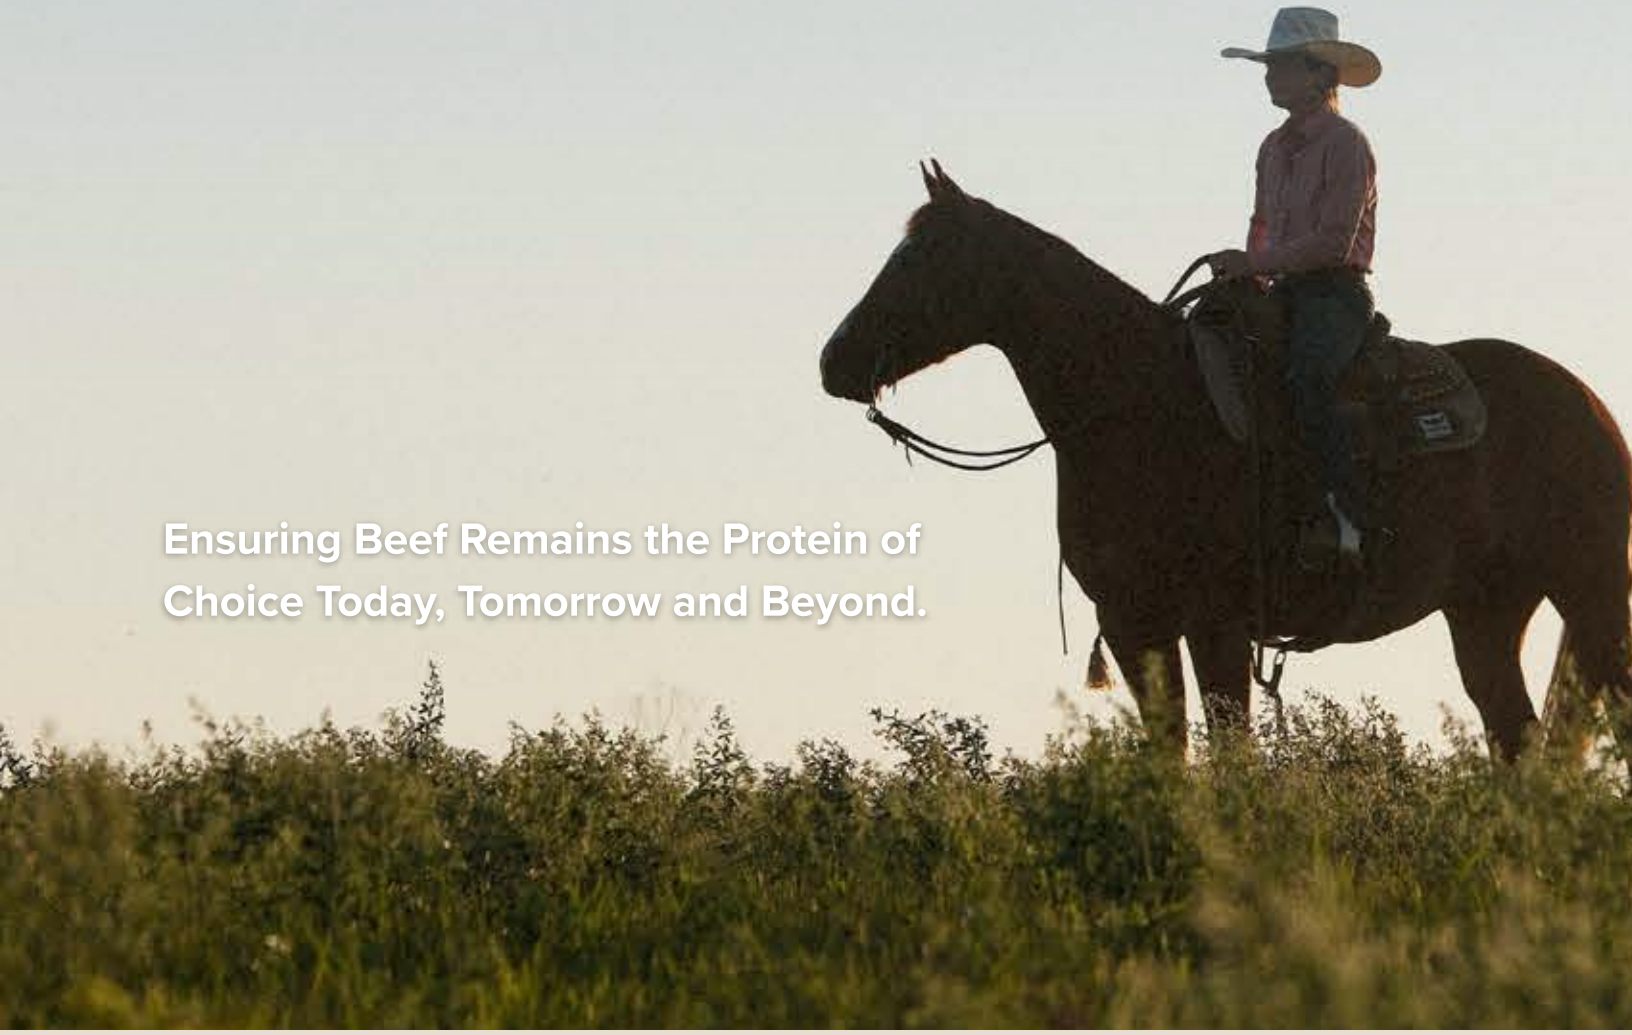

Waiver of Liability
KLA is not responsible for lost or damaged articles, accidents, any mishaps due to alcohol or drug abuse, disasters, government regulation or advisory, death, injury, illness, fire, disruption, delays, modification, or cancellations caused by weather conditions, any mechanical or electrical difficulties, strikes, lockouts, acts or threats of terrorism, civil disorder, pandemics, acts of God, and other events beyond the control of KLA. KLA will make every effort to conduct the program as described; however, KLA reserves the right to adjust the program without affecting its overall quality.
KLA is not responsible for expenses incurred by an individual who is not confirmed or for whom space is not available at the meeting, or if the meeting or any event should be cancelled. Costs incurred by the registrant such as airline or hotel fees or penalties are the responsibility of the registrant.
By participating in this event, you acknowledge that promotional photographs may be taken at any spot in the Hilton Garden Inn, Manhattan Conference Center, or the Flint Hills Discovery Center. Such photographs become the property of KLA. By registering and participating in the KLA Convention, you have granted permission for your photograph to be taken and used at the sole discretion of KLA, without further permission, compensation, or acknowledgement.

Health Liability Notice
Participants agree and understand that by participating in the KLA Convention, each participant is fully and personally responsible for their own health, safety, and actions during the event, and that each participant may be at risk of exposure to COVID-19 or any other communicable diseases. With full knowledge of the risks involved, by attending KLA Convention, participants hereby release; waive and discharge; and agree to indemnify, defend, and hold harmless KLA, its board of directors, officers, independent contractors, affiliates, employees, and any other cooperator from any and all liabilities, claims, demands, and causes of action, whatsoever, either directly or indirectly, arising out of or related to any loss, damage, injury, or death that may be sustained by any participant related to COVID-19 or any other communicable diseases while participating in any activity while in, on, or around the premises related to the KLA Convention. In the event the KLA Convention must be postponed or cancelled due to any communicable disease, or any other reason, KLA will notify convention participants of changes to the program through such electronic or written communication as appropriate.
