

WORKING FOR SWINE PRODUCERS SINCE 1894

Advancing the business interests of its members is KLA's mission. Officers and staff work to achieve this goal day-in and day-out by working with legislators and regulatory agencies to advance KLA policy. While a large percentage of KLA's membership is composed of beef operations, the association's efforts benefit all livestock producers. KLA invites anyone with a financial stake in Kansas agriculture to join us in our work on their behalf.

We've got your back.

- Led the fight to eliminate property tax on livestock and secure use-value appraisal of ag land.
- Clarification of sales tax exemptions for a variety of ag inputs.
- Support immigration laws that provide access to a stable and reliable workforce.
- Helping keep separation distances and related environmental regulations fair and reasonable.
- Resisting efforts to change definitions in the Clean Water Act.
- Protecting agricultural family legacies through estate tax relief.
