EVENTS

Tim Moffett
Cattlemen's Banquet

Tim Moffett, better known as Tim the Dairy Farmer, is definitely not a politician or motivational speaker. He is a Florida dairy farmer and stand-up comedian. Moffett's experiences on and off the farm allow him to bring out the humor of everyday rural life. Blue collar folks, rednecks and city slickers alike will be doubled over with his laughs-per-minute style. He still enjoys farm life and milks cows, which he says keeps his hands warm. Moffett's true passions in life are farming, making people laugh and eating beef jerky.

Randy Blach
Membership Breakfast

Randy Blach joined CattleFax in 1981 and served as director of market analysis for 15 years. He was promoted to CEO in January 2011. The company continues to lead the industry with timely market information, in-depth analysis and forecasts on cattle, protein and grain markets in the U.S. and globally. Blach was raised on his family's ranch in Yuma, CO, and graduated from Colorado State University with a degree in animal science.
