

Jackson County Livestock Association

January 9, 2020

JCLA Members and Friends:

Please accept this invitation to the upcoming 2020 Jackson County Livestock Expo, which will be held at the Northeast Kansas Heritage Complex just south of Holton, Kansas on **Saturday, January 25, 2020**. The livestock industry contributes over \$50 million per year to the Jackson County economy and in celebration of our industry, we will be holding our 35th Expo. We are excited to continue making improvements based on knowledge from previous years and new ideas that come along. This year we will have our usual delicious steak dinner, recognition of honored members, informative entertainment, door prizes, and a dance. We will be charging \$15 prior to the event for meal tickets, and \$20 at the door. We appreciate your support of the livestock industry and hope that you are able to join us in the evening's activities.
