The Sky is the Limit

The future is a connected market. Allflex Digital ID products make it easy to collect cow herd data for many decisions on your ranch. Plus, an industry-wide installed base of panel readers, wands and EID tags enables digital connection of seedstock and cow-calf production to feed yards and beef processors. This ecosystem helps ranchers validate quality in feeder cattle while gaining insight into finishing performance, grade and yield.

At Allflex® we help you bring it all together.

Tattoo: 6211, 6211 Reg: *AR4320515

sire: **R MARQ WIZER**

dam: **R KA MADDIE**

Consignor: ROUX SHORTHORNS

She is a twin to a heifer. Dam did not claim her, she was raised on bottle. Shown at Nebraska 4-H stocker at Red Willow County Fair. She came back to Kansas and was shown in open class shows. She is 75% Shorthorn Plus. Selling because I aged out of 4-H and would like to give another 4-Her the opportunity to show her in 4-H.
