Re: **39<sup>th</sup> Annual Kansas Livestock Foundation Club Calf Sale**

Saturday, October 3 – 7:00 p.m.

Kansas Junior Livestock Show at the Kansas State Fairgrounds, Hutchinson

The **2020 Kansas Livestock Foundation (KLF) Club Calf Show & Sale** will be held Saturday, October 3, in conjunction with the Kansas Junior Livestock Show. The cattle will be exhibited at 10:00 a.m. to determine sale order. These animals then will sell in the KLF Club Calf Sale at 7:00 p.m., or 30 minutes following conclusion of showmanship, in the Prairie Pavilion.

Purebred and crossbred steers are eligible. Steers selling as purebreds should be tattooed and have registration papers/certificates issued by their respective breed associations.

The heifer division is open to registered and crossbred heifers born after January 1, 2020. Registered heifers should have registration papers/certificates with a corresponding tattoo at check-in. All heifers without papers will be sold as commercial. Heifers must be calfhood vaccinated.

*Shorthorn Steers and Heifers*

The KLF sale will again cooperate with and feature the Kansas Shorthorn Futurity. To enter, please contact Bill Scott, 29930 V Road, Ransom, KS 67572 or (785) 731-2797 or scobil@gbta.net.

*Entry Fees and Commission*

Entry fee is \$50 per animal, non-refundable, **postmarked by Thursday, September 10**, and is applied to sales commission for calves making the sale. A \$15 futurity fee will be collected on all animals qualifying for the sale. Commission is 10% for current KLA members and 15% for non-KLA members. If you would like to renew or purchase a membership before the show, please include dues payment with the entry form.

**\*Online entries can be made at [www.KLA.org](http://www.KLA.org) under the Events & Meetings tab.\***

Please remember, this sale is possible due to the generous cooperation of the Kansas Junior Livestock Show. Be courteous and respect all the rules set forth for their event. No KJLS animals may be stalled or groomed in the club calf stalling area. If your family has both club calves and youth show cattle, you will have to work from both buildings. If you need a KJLS rulebook for further guidelines, please contact me at the KLA office or visit [KJLS.org](http://KJLS.org).

Please find entry forms enclosed. Online entries also will be accepted at [www.KLA.org](http://www.KLA.org) under the Events & Meetings tab. Fill out the form exactly as you would like your animals to be entered in the sale catalog. For crossbreds, list the breed composition in the order of highest percentage first, e.g., Chi X Maine X Angus. If an animal is listed as a specific breed, be certain the animal qualifies for that KJLS breed class. Several breeds require papers, so be sure you get papers before advertising it under the breed name. Please give me a call with any questions at (785) 273-5115 or email [stephen@kla.org](mailto:stephen@kla.org).
